With Board consent, the president may increase or decrease the time allowed for individual comments. The Board shall limit the total time for public input on each item to twenty (20) minutes. With Board consent, the president may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add. Generally, the President will ask Board Members for the remarks prior to recognizing requests to speak from the audience.  - B. **[Approve open purchase order with IT Savvy not to exceed \\$100,000 for the 2019-20 school year](#)** (Mike Pilakowski)

(BACKGROUND: Currently, the district has maintained a history of purchasing the bulk of computer and tech purchases from this vendor. The original approval for \$100,000 was based on previous expenditures in the 2018-19 year to cover basic technology operational costs. With the addition of a number of unforeseen staff members in the current year requiring more computer units that were in stock, the original authorization for this vendor was insufficient to meet basic maintenance needs through the end of the current school year.)
