NOTICE TO THE PUBLIC
As agenda items are discussed by the Board during the Open Session of the Board Meeting, audience participation is permitted. The President will recognize those members of the audience who wish to speak.

The President will set a time limit on each person's remarks if he/she feels it necessary. Individual speakers shall be allowed three (3) minutes to address the Board on each agenda or non-agenda item. With Board consent, the president may increase or decrease the time allowed for individual comments. The Board shall limit the total time for public input on each item to twenty (20) minutes. With Board consent, the president may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add. Generally, the President will ask Board Members for the remarks prior to recognizing requests to speak from the audience. At the President’s discretion, agenda items may be considered in an order other than numerical order.

Closed Sessions may convene before, after or during the Regular Meeting. Closed Session items may include personnel, litigation, negotiations and/or student discipline.

(BACKGROUND: The moderate/severe program at the High School has expressed interest in purchasing curriculum relevant to their students’ population. The Links Curriculum (Linking Assessment and Instruction for Independence) is an evidence-based, comprehensive, web-based curriculum to teach upper elementary, secondary, and post-secondary students with autism and...
other developmental disabilities to be independent across school, community and vocational routines. It is aligned to Common Core State Standards, appropriate across developmental levels, customizable for individual student needs, offers instant progress monitoring through a web-based platform, provides IEP goal and objective recommendations and offers custom visual supports for use in teaching routines and lessons. Education Code requires that all textbooks be aligned with state content standards. Reference for this item is in Education Code 60450 through 60452.5. The Education Code states: Materials for grades 9-12 must be aligned with state content standards and be adopted by the district governing board.

G. **Approve Facilities Planning Assessments for Gridley High School** (Jordan Reeves)
