NOTICE TO THE PUBLIC

As agenda items are discussed by the Board during the Open Session of the Board Meeting, audience participation is permitted. The President will recognize those members of the audience who wish to speak.

The President will set a time limit on each person's remarks if he/she feels it necessary. Individual speakers shall be allowed three (3) minutes to address the Board on each agenda or non-agenda item. With Board consent, the president may increase or decrease the time allowed for individual comments. The Board shall limit the total time for public input on each item to twenty (20) minutes. With Board consent, the president may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add. Generally, the President will ask Board Members for the remarks prior to recognizing requests to speak from the audience. At the President’s discretion, agenda items may be considered in an order other than numerical order.

12. **ACTION ITEM(S):**

   A. **Approve FFA Program of Work for the 2022-23 School Year** (Rikki-Lee Burresch)

      (BACKGROUND: Successful FFA chapters understand that success is the result of planning carefully, then carrying out the plans. They organize their plans through a written Program of Work that defines chapter goals, establishes functioning committees and outlines the steps students will take to meet the goals. The Program of Work is tailored to meet the unique needs of the local chapter, members and community.

      The Program of Work is more than a calendar of events. The POW embeds specific goals for the entire chapter that encourage members to work together to build a stronger chapter, better community and develop leadership within themselves.)

   B. **Approve Consolidated Application for Funding (Con App)** (Michael Pilakowski)

      (BACKGROUND: The Consolidated Application is used by the California Department of Education to distribute categorical funds from various state and federal programs (e.g. Title I, Title II, and Title III) to county offices, school districts, and charter schools throughout California. Based on a prescribed reporting schedule, every local educational agency (LEA) submits specific certified data to document participation in categorical programs and provide assurances that the LEA will comply with the legal requirements of each program. Out of each state and federal program entitlement, LEA’s allocate funds for
indirect costs of administration, for programs operated by the LEA, and for programs operated at schools.)
