

6th Grade English Language Arts 3rd Trimester Standards

Standard #	Student Friendly Version	Benchmark
2.1 RC	I will be able to use newspapers and the internet to obtain information.	3
2.7 RC	I will be able to find evidence in a text to come up with a correct statement about the text.	3
3.4 LRA	I will be able to explain how tone or meaning is used in poetry through word choice, figurative language, sentence structure, line length, punctuation, rhythm, repetition, and rhyme.	3
3.5 LRA	I will be able to identify the speaker and recognize the difference between first-and-third person narration.	3
1.2 WC	I will be able to identify and properly use indefinite pronouns and present perfect, past perfect, and future perfect verb tenses. I will also be able to ensure that the verbs agree with the compound subjects.	3

1.2 WS	I will be able to write a multiple paragraph composition that has a clear, engaging beginning, a descriptive, stay on topic middle and a conclusion that wraps it all up.	3
1.3 WS	I will be able to use a variety of effective and understandable patterns including comparison and contrast, how it looks on the page, order of importance, and organization by categories.	3
1.6 WS	I will be able to revise writing to improve organization and consistency of ideas within and between paragraphs.	3

6th Grade Math 3rd Trimester Standards

Standard #	Student Friendly Version	Benchmark
2.2 AF	I will be able to show that rate is a ratio comparing two different units of measure.	3
1.1 SDP	I will be able to calculate the range, mean, median, and mode of a set of numbers.	3
2.2 SDP	I will know how to select a variety of samples and tell which method best represents the population.	3
2.5 SDP	In simple cases, I will be able to judge the value of the statistical data.	3
3.1 SDP	I will be able to express the probability of simple and combined events.	3
3.3 SDP	I will show reasonable probabilities of ratios, proportions, decimals and percentages.	3

6th Grade Science 3rd Trimester Standards

Standard #	Student Friendly Version	Benchmark
Heat 3	I will learn what energy is and how it moves from place to place.	3
Heat 3a	I will learn how waves, heat, and moving objects carry energy.	3
Heat 3b	I will learn how energy can change from one form to another.	3
Heat 3c	I will learn the three ways in which heat can flow between objects. I will understand that conduction and convection need matter in order to transfer heat.	3
Heat 3d	I will know and discover how each of these processes transfers heat.	3
Energy in the Earth System 4	I will learn that the sun provides most of the energy that powers events on Earth.	3

Energy in the Earth System 4a	I will learn that wind, ocean currents, and weather all get their energy directly or indirectly from the Sun.	3
Energy in the Earth System 4b	I will understand how the sun's energy drives air and water movements on Earth.	3
Energy in the Earth System 4c	I will learn how heat is transferred inside Earth and in Earth's atmosphere and oceans.	3
Energy in the Earth System 4d	I will see that convection currents caused by changing amounts of heat bring energy from deep inside Earth to surface.	3
Energy in the Earth System 4e	I will learn how the changes in pressure and the amount of water in the air causes changes in the weather.	3

6th Grade History 3rd Trimester Standards

Standard #	Student Friendly Version	Benchmark
6.5	I will be able to analyze the geographic, political, economic, religious, and social structures, of early civilizations of India.	3
6.5.1	I will be able to locate and describe the major river system and discuss the physical setting that supported the rise of this civilization.	3
6.5.2	I will be able to understand the significance of the Aryan invasions.	3
6.5.3	I will be able to explain the major beliefs and practices of Brahmanism in India and how they evolved into early Hinduism.	3
6.5.4	I will be able to explain the Social Structure of the Caste System.	3

6.5.5	I will demonstrate my understanding of the life and moral teachings of Buddha and how Buddhism spread in India, Ceylon, and Central Asia.	3
6.5.6	I will be able to describe the growth of the Maurya Empire and the political and moral achievements of the emperor Asoka.	3
6.5.7	I will be able to demonstrate my understanding of the important aesthetic and intellectual traditions.	3
