
Use This Template as a guide to help you prepare your ELD lessons.

CONTENT AREA TOPIC and Standard:

Analyze which of the following are appropriate for your lesson and for the ELD leveled groups within your classroom. Circle ELD leveled groups in class: 1 2 3 4 5

ELD Listening and Speaking Standard:

ELD Writing Standard:

ELD Reading Standard:

Vocabulary Development: What words will you preteach?

Resources and Materials: What will you need to have ready for students or you to use?

Literature Connections: What books, magazines, poetry connections can you use to continue language and concept development?

Whole group directed lesson:

How will you introduce the lesson?

Motivation/ Rationale/ Background?

What is the overall whole group lesson? (the big picture)

Guided Group Practice (by ELD groups):

How will you model expectations for each ELD leveled group?

Which level ELD group(s) will you be working with during this Stull?

What will the other groups be doing while you're working with the above group?

Is there a rubric, model or "anchor" paper or project to show students what they are expected to do?

How will you practice so they can do what is expected independently?

Independent Practice or Cooperative Group Practice:

What will the student activities be for each ELD leveled group?

Evaluation:

How will students show you they have met expectations?

Review, Extending and Reteaching:

What are follow up activities to extend or review?

Are there any learning centers you can use to reinforce these standards?

Are there any tie-ins to other curricular areas you can use to reinforce these standards?
