C. **[Approve Board Resolution 09-2122, Authorization to Teacher Under Education Code 44258.3](#)** (Julie Vang)

(BACKGROUND: California has many provisions within the Education Code that provide avenues for the assignment of certificated employees outside their basic credential

authorization. These Education Code options provide school districts with local level flexibility for staffing.)

D. [Approve Board Resolution 10-2122. Authorization to Teacher Under Education Code 44263](#) (Julie Vang)

BACKGROUND: Each year districts are required to certify that their teachers are teaching in their credential area. One mechanism for a district to authorize a teacher to teach a subject other than the subject specified on their credential is by Ed Code authorization. Ed Code specifies what a teacher must do in order to qualify to teach outside the area of their credential.

The teacher listed on this resolution have coursework in the subject areas they are teaching but are not authorized on their current credential to teach these subjects in a departmentalized classroom. The coursework they have in this area allows them to teach these classes under Education Code 44263.)
